NO MATCH FOR GOD!

We are currently in our series, "VS.—Achieving Victory Over Your Giants." This series is looking at the famous story of David vs. Goliath. As we have discussed so far—and will continue to discuss in the coming weeks—the giants that seem to come into our lives can take many forms. Sometimes they are situations beyond our control. Sometimes they are situations we created. Sometimes they are not even other people or situations, but instead they are the struggles in our own minds. Whatever your giants may be, they are no match for God!

In week one of the series, I mentioned that when thinking about the giant (Goliath), David's thoughts about God outnumbered his thoughts about Goliath by a ratio of nine to two in the scripture. David technically mentions Goliath more than two times, but in all but two times God is the primary focus—not the giant. I then asked, "**Are you God-focused or giant-focused?**" It is an interesting and thought-provoking question. So often, our tendency is to focus on the giant and think that the obstacle is too large. Yet, by a large ratio, David focuses on God. Why? Because **the giant is no match for God**! David knows this. He does not approach his giant on his own. He approaches his giant with God by his side. In many ways, the story is not David vs. Goliath, it is God (through David) vs. "the giant."

As we continue in this series, it is my hope that you will prayerfully be honest about the giants in your life (we all have them), and then it is my even greater prayer that your God-thoughts will far out-number your giant-thoughts. It is also my prayer that you will find in this famous story that David is no different than each of us. In fact, as we know from scripture, David had many flaws. These flaws were always on display when his giant-thoughts out-numbered his God-thoughts. That is why the story of David vs. Goliath is so powerful. David was at his best, and we are at our best when we are primarily focused on God.

We still have a few more weeks in this series, and I look forward to journeying with you even deeper into this important subject. Interestingly, in writing this article, I wanted to initially capitalize the "g" in giants. Since the word represents so many things to so many people, I felt it needed that type of attention. Yet that would also go against the great point of David's battle. The giant is not all that it seems to be. Why? Because of the word that is always capitalized when it is rightly personalized: **God**.

In his song, "Our God", Chris Tomlin sings loudly, *"Our God is greater, our God is stronger. God, you are higher than any other."* All capital "G's" all of the time! The same is true for us—all of the time!

The only true *normal* is our God. He is the great "standard, or regular pattern." He is the "ever-present help."

In Christ,
Pastor Lonnie †

The Happy Helpers Club is back, and we want everyone to join! In the past, we've talked about all the ways we can help. This time, we want to look at helping from a different angle and focus more on being thankful for the many people who help us. We're asking, who helps me, and how can I show them I am thankful for them? Simply put, we want TaborKIDS to grow up with eyes that see the helpers and a heart that is thankful, because no matter how grown up you are, you always have people helping you and a thank you goes a long way. When we stop and think about it, we are surrounded by helpers who deserve a big thank you for all the ways they help us. They are making the world we live in—the world our TaborKIDS live in—a better place.

Tabor kids 252

(for children in 1st—4th grades)

Kids may not be absorbing the news cycle like adults are, but they are experiencing the news cycle through others around them. It's tough to know what news is helpful and what news is true. This month, kids will have a chance to journey with a few prophets—Micah, Amos, Zephaniah, Ezekiel, and Isaiah—to discover news they can count on. Breaking News will help them develop a strong identity in an ever-changing world. Kids will learn that when things go wrong, they can choose what's right; when they worship God, they can be sincere; when times are tough, they can count on God; when they are lost, God will guide them, and that they can be faithful just like God is faithful. This month, Club 252 begins a new series on the prophets called "Breaking News."

GAP & FUSION

(for tweens in 5th-6th grades) *(for youth in 7th-12th grades)*

November is here and it is a time we remember to be thankful. Time with family and friends, and of course church family. This year brings many of you an extended weeklong Thanksgiving break as well. Main Event and Gears will be the first two weeks of the month and then return in December. Sunday School is still meeting each Sunday and is a great time to dig deeper with other students in Bible study. Prayer Breakfast continues to meet at Chick-fil-A at 8 a.m. each Wednesday school is in session. December brings Adventurous Family Ministry Service at Camp Merriwood (**Dec. 12**), Christmas Party (**Dec.19**), and the Nativity Christmas Eve Service (**Dec. 24**). May your families be blessed this holiday season. We hope to see you all in worship and other great connectional opportunities for students and families.

In Christ,
Andy and Brian

Family Ministries

As we approach the season of Advent, we may need to be reminded to keep everything in perspective. It seems as we get closer to the holidays, we get busier. School programs, church functions, and family get-togethers all seem to crowd our calendar so much that it's hard to enjoy it. Have we scheduled in time for Him?

"Jesus is the reason for the season." That is a popular saying these days, but do we truly believe it? What on our calendar shows that He is our priority? Everything we do should lead us back to Him. This season, we are encouraging families to focus on Jesus. Below is a list of resources for families. (A copy of each is available in Marcey's office to preview.)

Worshiping Bodies

The past few weeks of my life have been almost entirely consumed by one goal: to finish my thesis. I'm in the final stretch of my degree program in worship studies, and hopefully, by the time you are reading this newsletter, I will be done!

Often, people will ask me if I'm writing about music—a reasonable assumption. Perhaps surprisingly, I hardly mention music in my thesis. I'm actually tackling the topic of embodiment in worship. I'm addressing questions like *What are bodies for? What is the purpose of our bodies? And what do our bodies have to do with worship?*

Perhaps that seems like a strange topic for a church musician but music and the body are, in fact, deeply connected. Music is a bodily practice: you cannot hear without ears; you cannot sing without vocal cords, you cannot play an instrument without fingers … or perhaps toes. You can't clap without hands or stomp without feet.

We bring all of ourselves to worship—bodies included. The body is not merely the vehicle that gets our minds and spirits to worship; our body worships God too. Our ears hear music and Word, our eyes see text and architecture, our mouths taste the elements of communion, taking Christ into our very bodies—Christ, who became embodied for us in the incarnation.

And what we look forward to is an embodied future. Heaven is not a place where we shed our bodies to become pure, unencumbered spirits. Rather, the Bible describes a future where our resurrected bodies inhabit a new heaven and new earth. There we will perceive God not only in spirit, but with our bodies too; we shall see God "face to face" (1 Cor. 13: 12).

Upcoming Music Dates

Dec. 5: Selections from Handel's Messiah with string quartet
Dec.12: Special music from the Chancel Choir with harp
Dec. 19: Christmas music from the handbells ✝

Have you made your "connection" at Mount Tabor UMC for 2022? The continuation of MTUMC ministries to the community, nation and world depends on you and your support. And you still have time to submit a 2022 pledge card if you missed Commitment Sunday on Oct. 17. Cards are available in the Sanctuary Narthex or at the Trinity Welcome Center desk. Or you can save time and paper by submitting your pledge at **https://www.mttaborumc.org/pledge** online. CALL FOR ART!

The Worship Arts program is accepting **original art submissions from church members of all ages and levels** for an upcoming Art Gallery display (between the Trinity Welcome Center and Sanctuary). Contributions could include, but are not limited to, painting, photography, or fiber art, which can be hung. (Works on paper—watercolors, photos, etc.)—should be framed. The display will last from **Advent to Epiphany, Nov. 28-Jan. 2**.

Submissions related to Advent, Christmas or Epiphany are appropriate, as well as pieces that take inspiration from John 1:1-5, 14 and follow the Advent theme, "Christ is sent from Heaven Above" into this world by God to:

(1) claim his crown,
(2) deliver all of humanity,
(3) bring the message of the kingdom of God, and
(4) be the good news to the world.

To participate submit an email **by Monday, Nov. 15** to Traditional Worship Arts Director Charli Mills (charli.mills@mttaborumc.org) and include artist name, contact info, and a brief description of the piece. The actual art pieces should be delivered to Charli **by Thursday, Nov. 18**. All work will be returned at the conclusion of the display. ✝

ANGEL TREE FOR THE CHILDREN IS COMING

It is time to help a local under-privileged child feel special at Christmas. Due to all of the COVID-related shipping delays and manufacturing issues, this year's Angel Tree will set up a week early to encourage early shopping and ensure gifts arrive on time. A combination in-person and virtual Angel Tree child selection will be available for 2021. Paper angels from Bethlehem Center and Potter's House will be hanging on the tree in the Trinity Welcome Center by **Saturday, Nov. 6**. Don't forget to sign out the angels you choose on the tables near the tree, and take an info sheet that gives details about how the Angel Tree works. Angels from Waughtown Kids R Us, Little Red School House, and Hispanic Ministries will be available online **shortly thereafter** (watch for emails and visit the church website for dates and more details on selecting the online angels).

Mount Tabor church members and friends have always been generous in supporting this ministry, and it is hoped that you will participate again by purchasing both clothing and toys from the suggestions listed on each angel. Please return the Christmas-wrapped gifts bundled together in a large gift bag with the angel tag securely attached **by or before noon on Sunday, Dec.12**. Gifts may be turned in to the volunteers at the tree starting on Sunday Nov.14, or to the church office during the week. If you want to participate but don't want to shop, Angel Tree volunteers are willing to shop for you. Checks made out to MTUMC may be sent to the church, or you may donate online (**https://www.mttaborumc.org/give**) with Angel Tree in the memo line.

The paper angels will be prepared on Wednesday Nov. 3, 6:45-8:45 p.m. in the Family Life Center. To help write the angels, sign up at **https://www.signupgenius.com/go/10C0B4CAAA728A2FF2-angel** online. If you would like to volunteer with angel registration and gift processing starting the weekend of Nov. 6, sign up at **https://www.signupgenius.com/go/10C0B4CAAA728A2FF2-angel1** online.

Call Becky Pfaff (336-768-5156), or text Michelle Petrich (336-692-2180) or Laura Hill (336-341-9068) with any questions. These women thank you for your support, and hope the Angel Tree gets you in the Christmas spirit as you pray for these children while shopping early this year. ✝
