SEE YOU SOON!

As I write this first newsletter article, July is quickly approaching and there is a joy in my soul as I will become your new Senior Pastor. My first official day in the office will be **Tuesday, July 6**, and my first Sunday with all of you will be **July 11**. Although I am trying my best to express them in this article, the truth is words cannot convey how humbled and honored I am to be able to do ministry alongside all of you. Mount Tabor is a special place, and I cannot wait to be a part of your amazing church family. I also want to thank Dr. Mark Key for all of his support during this transition. His sincerity and kindness has meant so much to me over the past two months. I know he and Joy are excited about retirement, and I am so grateful for their amazing ministry with all of you over the past nine years.

My family and I most recently come from the greater Charlotte area. Last year, we moved from Huntersville to the Triad area as my wife, Susannah, began a new appointment at Centenary in downtown Winston-Salem. At that time, I was the Senior Pastor of Assurance UMC in Huntersville and initially chose to take a year off as we moved, but during the transition I decided to do some interim work in the Triad area until this 2021 appointment season. In our brief time in the Triad, we have grown to love this area and are excited about settling into the Winston-Salem community and making it our home.

Susannah and I met in seminary at Emory University and have been blessed with wonderful appointments throughout the years. We even once served together as "co-pastors" at Assurance before she was called into a more specialized form of ministry. We also have a nine-year-old son, Preston, who is in so many ways the joy of our lives—and he most certainly keeps us on our toes! Our other family member is a 12-year-old dachshund named Emory. I am sure you can guess the origin of his name. I am remarkably blessed by God to have such a wonderful home full of love and laughter.

Most importantly, I am blessed because of the life, death and resurrection of Jesus Christ. As we all begin this journey together in just a few days, it is my prayer that in our time together in the coming months and years you will see my ultimate goal of ministry is to always follow Jesus wherever He leads. The longer I am in ministry the more I am amazed at the work Jesus is doing through His Church. Over the years I have seen lives turned around when all seemed hopeless. I have seen people fed when it looked like there was no meal to be found. I have witnessed enemies forgiving each other and even becoming friends. I have watched personal

This month, TaborKIDS Junior will continue the theme "Beach Party," celebrating God's help. An important part of childhood is learning which grown-ups you can trust. The very first phone number most kids tend to learn is an emergency number because it's important to know who to call when we need help! In this series, we'll help kids see that they can always call on God, our lifeguard, for the things they need. As kids hear the story of Israel escaping slavery in Egypt (and what happened afterward), they'll discover that God helps us when we're helpless, helps us in our weakness, helps us when we're in trouble, and will even help us help others. God is the help we need—always!

Have you ever been on a road trip? When we think of road trips, we might think of gas station snacks, singing along to our favorite songs, and taking in the sights. Continuing in July, Club 252 will be taking a scenic "road trip" through the scriptures. On Sunday mornings, we'll be focusing on the Old Testament and God's roadside assistance for Moses and the Israelites. We'll have a mid-month "pit stop" where we talk about who gets the front seat. And we're encouraging them to pull out their road maps to read through the Book of Mark over the summer.

Family Ministries

MOUNT TABOR UNITED METHODIST CHURCH

Led by Colleen Carr, Marcey Davis and Andy Tuttle

It's that time of year when families are busy traveling, going to the pool, and checking off items on their "Summer Bucket" lists. It's also a good time for families to re-connect as there aren't as many activities. Here are some questions to help spark conversation and reconnection. *What made you laugh today?* This question might just make you laugh at the answer but it will also help kids know that it's good to have fun! *What are you feeling grateful for this week?* This question can be an eye opener! You'll get to know what's important to them—you might be surprised! *When did you help someone recently?* This question helps kids focus on helping others and may prompt them to seek out opportunities to help. *What's been a challenging part of your day?* Helping our children recognize struggle can be a great way to begin speaking with them about God's faithfulness and their abilities to navigate hard things. *How have you experienced God this week?* This might be a difficult question to answer at first but by modeling it for them, kids will begin to see God at work. We'd love to hear about your experiences asking questions and the answers! †

From the Choir Loft

As most know, The Methodist Church was founded by John and Charles Wesley of England. Both brothers were hymn writers; while John wrote 203 hymns, Charles wrote over 1,000! The hymnal we use today contains 51 penned by Charles, and only 5 by John. John, however, left us something else: instructions for singing these hymns "that this part of Divine Worship may be the more acceptable to God, as well as the more profitable to yourself and others" (John Wesley's *Select Hymns*, 1761.)

Here are his rules, as written in the preface to The United Methodist Hymnal (page vii):

- I.** Learn these tunes before you learn any others; afterwards learn as many as you please.
- II.** Sing them exactly as they are printed here, without altering or mending them at all; and if you have learned to sing them otherwise, unlearn it as soon as you can.
- III.** Sing all. See that you join with the congregation as frequently as you can. Let not a slight degree of weakness or weariness hinder you. If it is a cross to you, take it up and you will find a blessing.
- IV.** Sing lustily and with good courage. Beware of singing as if you were half dead, or half asleep; but lift up your voice with strength. Be no more afraid of your voice now, nor more ashamed of its being heard, than when you sung the songs of Satan.
- V.** Sing modestly. Do not bawl, so as to be heard above or distinct from the rest of the congregation, that you may not destroy the harmony; but strive to unite your voices together, so as to make one clear melodious sound.
- VI.** Sing in time. Whatever time is sung, be sure to keep with it. Do not run before nor stay behind it; but attend closely to the leading voices, and move therewith as exactly as you can. And take care you sing not too slow. This drawling way naturally steals on all who are lazy; and it is high time to drive it out from among us, and sing all our tunes just as quick as we did at first.
- VII.** Above all sing spiritually. Have an eye to God in every word you sing. Aim at pleasing him more than yourself, or any other creature. In order to do this attend strictly to the sense of what you sing, and see that your Heart is not carried away with the sound, but offered to God continually; so shall your singing be such as the Lord will approve here, and reward you when he cometh in the clouds of heaven. †

relationships healed and then begin to thrive with the help of the Holy Spirit. I have been overwhelmed in experiencing kindness and compassion in a world so desperately craving peace and relief. I have been humbled by words and works of love and sacrifice and so much more. And I have seen all of these things because of the saving and transforming love and grace of Jesus Christ. I am blessed with an amazing job! And now I am blessed to be able to do this job with all of you at Mount Tabor—an amazing church!

'Mount Tabor is a special place, and I cannot wait to be a part of your amazing church family.'
~Rev. Lonnie Pittman
